Tina Marie Vineyard, Sonoma
Sonoma Stage Vineyard, Sonoma
Riddle Vineyard, Sonoma

Technical

The lots in this wine were sourced from Tina Marie Vineyard, Sonoma Stage Vineyard, and Riddle Vineyard. Every vineyard was fermented separately with native yeasts in small open-top fermenters. About 30% whole clusters were used across the board. After two-three weeks of one-two punchdowns a day we drained the ferments to 20% new French oak and aged the wine for ten months before bottling.

Tasting Notes

Bing cherry, kirsch, and rose petals fill the nose.
The palate is graceful with fresh red fruits and a subtle spice that comes from the whole clusters.
