PINOT NOIR 2019

A coastal, approachable Pinot Noir that melds lively acidity with bright red fruits in a well-balanced, harmonious style.

WINERY BACKGROUND: Boya was created by the Garcés Silva family, pioneers of the coastal Leyda Valley in Chile. Boya in Spanish means “buoy” – an appropriate name for a wine coming from vineyard blocks that overlook the Pacific Ocean. The winery’s architecture is inspired by its environment, and the surrounding rolling hills determine the different levels of the winery. The wine decants by gravity, a winemaking practice that preserves its aromatic potential and natural structure.

All Boya wines are certified sustainable through Wines of Chile Sustainability Code.

VINEYARD & WINEMAKING DETAILS: Boya wines are made using fruit that is harvested early, in order to achieve a very bright, low alcohol, fresh style. For the reds, we choose only old barrels that have been used 4 to 8 times, and we age the wine for a short period of 8 to 10 months. Natural acidity and good balance give Boya wines a remarkable sense of place, representing the cool coastal climate of Leyda Valley. All Boya wines are certified sustainable through Vinos de Chile

TASTING NOTES & FOOD PAIRING SUGGESTIONS: Intense nose of fresh fruits like strawberry, red cherries and plenty of floral aroma. The palate is medium-bodied with supple tannins, good natural acidity and fresh berry fruits towards the finish. It is well balanced, clean and expressive. Try with grilled salmon, Gruyère cheese, or wild mushrooms with polenta.
